

Ruth May Lead A Batsmer; Zone To Meet Leaders

WALLOPING BABE AFTER RECORD

In Second in List of American League Hitters and Has 25 Home Runs.

Chicago, Ill., July 10.—With a new record within his grasp, "Babe" Ruth, the New York slugger, today is driving toward the batting championship of the American league. Hoping in fourth place a week ago, the home-run king is now second in the list of batters with an average of .341. Thirty-three points behind George Sides, the St. Louis star, who is leading the league, Ruth passed the veteran Tris Speaker of Cleveland and Joe Jackson of Chicago, who are tied for the third place honors with .335. Sides, in first place, is batting .412.

Although Ruth failed to get but one home-run during the week he connected with thirteen hits in nine games. In addition he pulled away from Speaker for scoring honors. He has crossed the plate 70 times, while the Clevelander is two runs behind him.

Ruth leads Babe Stralman. In the case of Gardner going down before today, the extra hole was a short affair—a ten shot with an iron. The extra hole was a short affair—a ten shot with an iron. The extra hole was a short affair—a ten shot with an iron.

ONE EXTRA HOLE TO DECIDE MATCH VICTOR IN GOLF IS RIDICULED

By FRANCIS QUINCY.

WHEN Bob Gardner lost the British amateur championship to Tolley on the 18th, or extra, hole of their match at Muirfield a few weeks ago, the thought that I have held in mind for some years found another substantial example that, when two golfers are able to wage an even battle through 36 holes of match play, the test usually gives them to decide which is the better of the two should be other than it usually is.

Extra Hole Short. In the case of Gardner going down before today, the extra hole was a short affair—a ten shot with an iron. The extra hole was a short affair—a ten shot with an iron. The extra hole was a short affair—a ten shot with an iron.

Back in 1911 the late Fred Herreshoff was badly out of luck in losing to Harold Hilton in the amateur. At one time Hilton was six up and 13 to go, only to have Fred rally and by dint of magnificent pluck square the match on the home hole. An extra hole or so was necessary. In this case it was a two shot and Hilton sliced his second so badly that it struck well into the rough. Luck was with Hilton that day, for the

Chronic Diseases

Our success in the treatment of Chronic Diseases is due to the fact that we never attempt to treat a case before making a careful, searching examination that reveals the cause of the trouble; if the cause can be removed then a cure can be effected, otherwise no treatment is attempted. In all obscure, difficult cases we resort to a thorough chemical examination of the blood, urine and secretions and excretions, assisted by a microscopical and X-ray examination if necessary, which, together with a careful physical examination usually reveals the patient's true condition.

In the treatment of these troubles we do not depend upon the administration of drugs entirely, as many do; but in addition to carefully selected, standardized drugs we employ Electricity, Light, Heat, Vibration, Serum, Bacteria, Animal Extracts, including Hormones and the active principles of the ductless glands.

This combined method of treatment is the most successful in existence, so why experiment, why take chances? Why neglect a matter of so much importance as your health? Why waste further time and money on patent medicines, home treatments and self-medication, while likely your trouble is gradually growing more deep-seated and chronic. We make no charge for consultation, and our charges for treatment are so reasonable that the poor as well as the rich may obtain our services and take advantage of this opportunity to find out their true condition, without a knowledge of which they are groping in the dark, and without an understanding of which no physician should attempt to treat you.

Embraced in the above class of troubles are Skin Afflictions and Diseases of the Blood, Kidneys, Bladder and Rectum.

WE CURE PILES WITHOUT PAIN, OPERATION OR DETENTION FROM BUSINESS. We guarantee to effect a cure without the use of the knife, scissors, ligature, cautery, acid injections or other painful procedure, and without detention or loss of time from your work.

FOR PROOF of the above statements, call, phone or write for the names of those whose letters we have on file in our office. No doubt we have cured your neighbor or friend; let them explain it all to you, or

Write for our new revised booklet on Rectal Diseases, which will be sent to any address in a plain sealed envelope free of charge and without any obligation whatever.
